Job Opportunity

The Swiss Rowing Federation ("Swiss Rowing") is the governing body of the Swiss rowing clubs and regatta organizers. Swiss Rowing is supporting all rowing activities in Switzerland with special emphasis on promoting our young talents.

For the management and co-ordination of all activities related to our junior national team we are seeking the

Head Coach for Juniors.

In this most challenging position you will be in charge for selection, promotion and achievement of sustained success with the Swiss Rowing junior national team. You will be significantly involved in training and developing the club coaches for juniors. You will prepare the annual planning, recruit and lead the project coaches and supervise the implementation of our training concepts. Further you will organise training camps and performance tests at our national training center in Sarnen. For the FISA junior world rowing championships as well as for the Coupe de la Jeunesse you will define the teambuilding and selection processes, and in co-operation with the assigned coaches you will look after the project teams and crews. In addition you will ensure the implementation of the national talent development programme in close co-operation with the Swiss federal sports authority.

You have successfully completed your formal education as a rowing coach and gained several years experience with coaching junior oarsmen at national and international top level. You are used to work irregular hours, to keep calm in hectic times and to deal with comments from the public environment. Idealism and enthusiasm are further requirements for this position, and if you are willing to move to central Switzerland we are very much looking forward to receive your application.

Please send your resume to the Swiss Rowing Federation, Brünigstrasse 182-A, CH - 6060 Sarnen, Switzerland, or via e-mail to lukas.rieder@swissrowing.ch .
